## Monday Classes Begin SOON

CodingTrainer.com is now offering a combined coding certification prep course for the CCS-P (Certified Coding Specialist-Physician) and the CPC (Certified Professional Coder), Certified Medical Coder (CMC), and the Certified Coding Professional (CCP). This course utilizes a copyrighted custom created curriculum with additional supplemental publications. This class will prepare you to take either and / or all exams!

This class covers CPT, ICD-9 CM and ICD-10 CM and HCPCS Level II extensively. We will show the differences between ICD-10 CM and ICD-9 CM in addition to how to use the ICD-10 CM code set.

Also, there were no true CCS-P prep courses in the Baltimore Area and we were constantly asked to prepare a curriculum for that purpose. Again we listened!

Now you can take ONE CLASS and be trained For SIX professional certification exams!

**The course fee DOES NOT INCLUDE CODING BOOKS, EXAM FEES OR MEMBERSHIP FEES!**

**Credit Card Fee for Class is \$3,250.00. Credit Card Payment must be paid in FULL. NO DEPOSITS ACCEPTED. Credit Card payments are required to call with the credit card information. The contact number is 443-452-8210. Full payment is required two (2) weeks prior to first class date.**

**Cash/Check DISCOUNTED Fee for class is \$2,995.00. You may either pay the full amount at one time or you may submit a deposit of \$1,995.00 first and then make a second payment of \$1,000.00. In either case, full payment is required as of the first class date.**

You can take either exam by contacting the respective certifying organization on your own. This is a twenty-five (25) week course with a Saturday review class at the end of the 25 weeks. It meets in

Catonsville from 6:30 pm until 9:30 pm. Directions will be sent with receipt of paid registration. The Saturday review class will last from 9:00 am until 3:30 pm.
