

CodingTrainer.com

Saturday Morning Classes Begin February 23, 2019

CodingTrainer.com is now offering a combined coding certification prep course for the CCS-P (Certified Coding Specialist-Physician) and the CPC (Certified Professional Coder), Certified Medical Coder (CMC), COC (Certified Professional Outpatient Coder) and the Certified Coding Professional (CCP). This course utilizes a copyrighted custom created curriculum with additional supplemental publications. This class will prepare you to take either and / or all exams!

This class covers CPT and ICD-10 CM and HCPCS Level II extensively. Also, there were no true CCS-P prep courses in the Baltimore Area and we were constantly asked to prepare a curriculum for that purpose. Again we listened!

Now you can take ONE CLASS and be trained For Five professional certification exams!

The course fee DOES NOT INCLUDE CODING BOOKS, EXAM FEES OR MEMBERSHIP FEES!

Credit Card Fee for Class is \$3,200.00. Credit Card Payment must be paid in FULL. NO DEPOSITS ACCEPTED. Credit Card payments are required to call with the credit card information. The contact number is 443-452-8210. Full payment is required two (2) weeks prior to first class date.

Cash/Check DISCOUNTED Fee for class is \$2,995.00. You may either pay the full amount at one time or you may submit a deposit of \$1,995.00 first and then make a second payment of \$1,000.00. In either case, full payment is required as of the first class date.

You can take either exam by contacting the respective certifying organization on your own. This is a twenty-five (25) week course with a Saturday review class at the end of the 25 weeks. It meets in Catonsville from 9:00 am until 12:00 pm. Directions will be sent with

receipt of paid registration. The Saturday review class will last from 9:00 am until 3:30 pm.
